

The logo of Seoul National University is a circular seal. It features a central shield with a stylized 'SNU' monogram. The shield is surrounded by a laurel wreath. The outer ring of the seal contains the text 'SEUL NATIONAL UNIVERSITY' at the top and '1939' at the bottom.

Controllable Person Image Synthesis with Attribute- Decomposed GAN

Muhammad Kashif Ali

Contents

- Introduction + Problems + Scope of this research
- Method
 - Observations
 - Proposed solutions to fill the research gap (Main contributions: Architecture + Attribute targetting)
 - Implementation details
- Results
- My thoughts + What we can learn from this paper
